GENERAL INFORMATION

Membership Fees

Members are reminded that fees are payable in advance and are therefore due on or before 01 January each year.

Address of Members

Members shall notify the Secretary in writing immediately upon change of address, and telephone numbers. Members are requested to provide the Club with their email address if they have one.

Complaints

All complaints on any matter connected with the management or service of the Club or the conduct of any employee of the Club shall be made to the President, who may, if necessary, insist that such complaint be made in writing.

If the President is unable to satisfy the complainant or complainants, then he/she shall submit the matter to the Board for review and decision.

Members and VISITORS

All members and visitors to the playing course, practice area and general area are required upon arrival to lodge your name(s) and sign the PGC entry book located at the Pro Shop, including the reason for your visit ie. Play golf, walking, practice etc.

Dress Standards

The Board expects all members and guests of the Club to be suitably attired in clean apparel and footwear both on the course and in the clubhouse.

The Board reserves the right to refuse entry to anyone not conforming with the requirements as displayed at the entry to the Clubhouse

Course Etiquette

No player shall play until the players in front are out of range. Any group failing to hold its place on the course and loses more than one clear hole on the players in front shall allow the group following to pass.

When the play of a hole is completed, players shall move to the next tee before marking their cards. The player with the honour shall play before marking their card.

Players are responsible for repairing their own divot marks and bunker marks and are encouraged to repair others. No one shall move, talk or stand close to or directly behind the ball or hole when a player is addressing the ball or making a stroke.

The lowest handicapped player in each group is responsible for the observance of the rules of golf and etiquette. This does not however, relieve all players of their responsibilities under the rules of golf.

Slow play is contagious - help to eliminate it.
PGC Supports and Encourages "Ready Golf"

VOLUNTEERS

The Parkes Golf Club would like to thank all the Volunteers that provide much needed resources, energy and work to ensure the PGC continues to provide a great place to play and enjoy the game of golf.

A special mention is made of the Parkes Veterans Golf Association & the Board of Directors for their tireless endeavours on the course, clubhouse and administration. Your efforts often go unrewarded, however they are always noticed and appreciated and without your continued support and direction, the PGC would not be as great as it currently is - thanks.
